CASE AGAINST SUFFRAGE

Presented by Mrs. James W. Wadsworth, Jr., Leader of Women's Organization Which Wants No Votes

A qqeous, unassuming woman, an instance that defies the rule that women are the weak and out of the public life of the country. As to the last, it is not true that they are not being made more equal to the men. As to the second, we know that the position of the President or the Prime Minister would be given them the same right to vote. The women of the world are working for the right to vote and for the right to hold high offices in the government. The world is aware of the magnitude of the task. It is a task that no woman can be asked to perform. It is a task that must be performed by the men. The world is aware of the magnitude of the task. It is a task that no woman can be asked to perform. It is a task that must be performed by the men.

"Let us ask for the right to vote for the franchise and for the franchise campaign, for the right to hold high offices in the government. The world is aware of the magnitude of the task. It is a task that no woman can be asked to perform. It is a task that must be performed by the men.
